_____ The policy of our Club states that a parent, or designated person 17 years of age or older, of a Club member under the age of 13 must enter the building and scan out their child. The only exception is unless the member is a designated “walker.” A member may not wait in the lobby or in front of the building for pick up.

_____ I understand that my child’s membership is based on their behavior as well as the behavior of the parent/guardian. I understand that members and their families are expected to adhere to all rules, policies, and regulations set by the Club. I further understand that if my child’s behavior or other family representative’s behavior endangers the overall safety, security, and supervision of themselves and/or others that he/she may be dismissed from the Club upon review by staff and the directors.

_____ I understand that Club members ages 12 and under must be picked up promptly at 6:00 p.m. unless registered for an Evening Program or other Club sponsored event. In addition, certain fees may be charged as a result of continuous late pick up. If a Club member is registered for an Evening Program they must be picked up promptly at the end of the program in order to avoid any associated fees.
