More than \$1 million was raised at the Annual Dinner for the Boys and Girls Clubs of Boston. "A Night of Celebration" brought more than 600 guests to the Copley Place Westin Hotel last Thursday. Founded in 1993, the Boys and Girls Clubs of Boston help more than 14,000 children and teens ages 6 to 18 through six core programs, nine area centers, and Camp Harbor View, which is on Long Island in Boston Harbor.
