

About BGCB

What We Do

Boys & Girls Clubs of Boston (BGCB) helps at-risk boys and girls develop the qualities needed to become responsible citizens and leaders.

Where We Work

BGCB currently operates five free-standing Clubs and four School Clubs throughout Boston and in Chelsea. We serve in communities where the need for safe after-school, weekend and summer programming is greatest. BGCB also operates the Youth Service Providers Network (YSPN) and Camp Harbor View.

The Sumner Club offers programs in six core areas – Arts; Education; Leadership; Life Skills; Sports, Fitness and Recreation; and Technology – enabling youth to become responsible citizens and leaders.

Design Squad – Members focus on math, science and engage in engineering applications to discover career possibilities and strengthen their critical thinking skills.

TERC – BGCB staff are trained by TERC to improve members’ mathematics and science skills. The focus of this program is to teach members about the human body with various themes.

Torch Club – Members develop their leadership, character, and community skills through various projects.

Urban Ecology – Members explore environmental concerns and responsibilities, scientific discoveries, habitats, social issues, theories and solutions.

Membership

We keep our Clubs and programs affordable to accommodate more youth who need us. Access to all programs and facilities described in this brochure is included with a membership. Members may access school-year programming at any BGCB Club without additional cost. Contact the Club to learn more about membership.

Ages Served: 1st-5th grade*

** Member capacity is capped at 80.*

Boys & Girls Clubs of Boston serves youth up to age 18, so your child can continue to be a Club member when he/she reaches the 6th grade. Visit www.bgcb.org to find a Club near you.
