

About the South Boston Club

Youth inspire us. We work to inspire them.

The South Boston Boys & Girls Club has been an essential part of the community for more than 70 years. At the Club, we create a safe environment where every child and teen has fun and the opportunities to achieve great things. The Club annually serves approximately 1,000 members, plus hundreds more youth through our facilities and community outreach.

Our Club also has a Masters-level, licensed social worker who is an integral member of the staff and who is uniquely trained to help members with difficult situations or a crisis.

Membership Information

We aim to keep our Clubs and programs affordable and accessible to accommodate more youth who need us. Annual membership rates are **\$25 for youth ages 6-12 and just \$5 for teens ages 13-18**. There are no additional costs for programming described in this brochure, except summer camp, which has a separate application process and fee.
