Julie Walsh	617-504-9229

All proceeds will benefit the
South Boston Boys & Girls Club

Mission Statement:

A core group of alumni from the South Boston Boys & Girls Club has recently formed an Alumni Council. It is composed of former Club Kids whose focus is to reach out to individuals who once had a strong connection and reengage them with the Club, its staff, and most importantly the kids. Throughout the year, alumni will have the opportunity to volunteer at the Club, attend social engagements to connect with fellow alumni and staff, and families will be invited to return to the Club and relive favorite Club moments.

We all have special memories of the club and this is one small way we can give back to such a wonderful place!
