

## Dollars for Doers

The critical mission of Boys & Girls Clubs of Boston is made possible in no small part due to the efforts and commitment of volunteers like you, who know how rewarding it can be to lend a helping hand. BGCB volunteers come from all walks of life, and everyone contributes something special to our cause.

Volunteers know well the difference financial support can have on the youth and families we serve. It can come in the form of school supplies for a young person in need, a scholarship for a member who's the first in their family to attend college, or a needed winter coat.

Dollars for Doers cash grants are given to non-profit organizations like BGCB by corporations with employees who volunteer. Grants range from \$25 to \$2,000 per year based on company guidelines and the hours served by volunteers.

Applying for a Dollars for Doers grant is easy and starts with a visit to your HR or Volunteer representative, or visiting your company's website. You are already giving your time and talent – here is one more way you can support Boys & Girls Clubs of Boston.
