Jay Connor for The Boston Globe

Ne-Yo's "giving tour" brought him to the Blue Hill Boys & Girls Club.

All eyes were on R&B singer **Ne-Yo** and actress/singer **Adrienne Bailon** at the Blue Hill Boys & Girls Club, where the pair handed out presents provided by Toys for Tots, as well as books and clothing. (Boston was one of four stops on a "giving tour" organized by Ne-Yo's Compound Foundation.) Bailon may be best known as a former member of the Cheetah Girls and the ex of **Kim Kardashian's** brother, **Rob**.
