

About BGCB

What We Do

Our mission is to help young people, especially those who need us most, build strong character and realize their full potential as responsible citizens and leaders.

We do this by providing:

- a safe haven filled with hope and opportunity
- ongoing relationships with caring adults
- life-enhancing programs

Where We Work

BGCB currently operates five free-standing Clubs and five Shared-Space Clubs throughout Boston and in Chelsea. We serve in communities where the need for safe after-school, weekend and summer programming is greatest. BGCB also operates YouthConnect and Camp Harbor View.

The Sumner Club offers programs in six core areas – Arts; Education; Leadership; Life Skills; Sports, Fitness and Recreation; and Technology – enabling youth to become responsible citizens and leaders.

TERC – BGCB staff are trained by TERC to improve members’ mathematics and science skills. The focus of this program is to teach members about the human body with various themes.

Torch Club – Members develop their leadership, character, and community skills through various projects.

Urban Ecology – Members explore environmental concerns and responsibilities, scientific discoveries, habitats, social issues, theories and solutions.

WGBH Time to Invent – Members will work with engineering students, using structured curriculum that inspires them to explore inventions.

Membership

We keep our Clubs and programs affordable to accommodate more youth who need us. Access to all programs and facilities described in this brochure is included with a membership. Members also may access school-year programming at any BGCB Club without additional cost. Contact the Club to learn more about membership.

Ages Served: 1st-5th grade*

* *Member capacity is capped at 100.*

Boys & Girls Clubs of Boston serves youth up to age 18, so your child can continue to be a Club member at a different location when he/she reaches the 6th grade. Visit www.bgcb.org to find a Club near you.
