- The Teen Center provides activities to ensure Teen exposure to new ideas, information, places and relationships.
- Teens engage in structured activities that involve high yield learning tasks and critical thinking.
- Opportunities are presented to apply knowledge and skills acquired through educational activities, leadership development, service in the Club and community.
- Club members are instructed in values of citizenship, community activism and respect for diversity.
- Additionally, teens are nurtured in a healthy appreciation and affirmation of the Arts which includes drama, dance, creative writing, poetry, fine arts and performance productions.
