

Thank you Charlestown

I would like to say thank you to the Charlestown community, which I have been lucky enough to consider myself part of for the past five years.

In this time I have been welcomed with open arms, and as I prepare to leave for college, I consider all that I have gained in my short time here.

I would especially like to thank the Boys and Girls Club for awarding me the Youth of the Year award, the Charlestown Appreciation Awards Committee for recognizing me as their youth recipient, and to Delta Dental of Massachusetts for awarding me the Lubinger scholarship.

I would also like to thank Mr. Gerard F. Doherty for making it possible for me to attend Mount Saint Joseph Academy, and all the other Charlestown families with daughters who attended the Mount for all their support over the years.

Charlestown may only be "one square mile," but it means the world to me. Thanks for everything.
