Our mission is to help young people, especially those who need us most, build strong character and realize their full potential as responsible citizens and leaders.
Opening Doors
Dear Friends

This year, we have made great strides to expand our reach to serve more youth as well as deepen the impact we have upon them.

Boys & Girls Clubs of Boston opened our new Mattapan Teen Center in a neighborhood that was woefully underserved. Dozens of local teens already are coming to the Club each day to take advantage of all that it has to offer, and we look forward to serving hundreds more in the year to come. I would like to express my sincere thanks to the Richard and Susan Smith Family Foundation and to Robert and Dana Smith for their generous gifts to make the Mattapan Teen Center a reality.

We completed a year-long $11.3 million renovation of our Club in South Boston, turning the 70-year-old building into a state-of-the-art facility that will serve generations to come. We are grateful for the support we received from everyone who helped make this project possible. When we reopened the doors, we also rededicated the building as the Edgerley Family South Boston Club in recognition of Sandy and Paul Edgerley’s principal benefactor gift to renovate the Club. We are grateful for their long-standing commitment to BGCB.

Boys & Girls Clubs of Boston could not fulfill our mission without incredible donors like the Smith and Edgerley families and many other dedicated groups of supporters, including our women’s leadership council, the Artemis Circle, which brings together women who want to make a difference in the lives of Boston’s youth. This initiative has been led by an engaged leadership committee, whose efforts have introduced many new friends to our organization and it has been wonderful to get to know them.

I am always deeply moved and inspired by the true commitment of all our supporters to help the young people that we serve. Your contribution – regardless of shape or size – makes a lasting impact by helping provide our members with a strong start in life. Together, we can create a safer, healthier and equitable future for Boston.

On behalf of all our staff as well as current and former members, I thank you for enabling BGCB and the young people we serve to grow and to thrive.

With gratitude,

Josh Kraft
Nicholas President and CEO*

*The title of the senior professional position at Boys & Girls Clubs of Boston honors Peter and Ginny Nicholas in recognition of their deep commitment to the organization and to further their dedication to ensuring excellence in organizational leadership.
Dear Friends

It continues to be my great privilege to serve this extraordinary organization as the Chair of the Board of Directors and it is my honor to lead such a brilliant, generous and energetic team of board members. Their commitment to constant improvement is what makes Boys & Girls Clubs of Boston so exceptional.

Our Board of Overseers is also incredibly engaged in the important work we do and it has been inspiring to watch how they leverage their unique talents and interests for the betterment of Boys & Girls Clubs of Boston. I want to recognize Brad Balter and Jim Canfield for serving as Co-Chairs of this remarkable group for the last three years and thank Stephen Appe for stepping into this role in fiscal year 2016.

Last year, four members of our Friends Council moved onto the Board of Overseers. These young, passionate professionals represent part of a strong leadership pipeline that we have in place to ensure the continued viability and success of Boys & Girls Clubs of Boston well into the future.

This continuity is crucial as we reaffirm our commitment to the neighborhoods BGCB currently serves and as we continue to help even more young people. We also are making investments in our Clubs, staff and innovative programs designed to help our members do better in school, build strong character and live healthier lifestyles.

These activities include learning the impact of giving back through our partnership with the Highland Street Foundation; making college an affordable reality through our partnership with uAspire; and adopting healthy lifestyles thanks to a partnership with Massachusetts General Hospital, Mass General Hospital for Children and the MGH Center for Community Health Improvement.

BGCB partners with nearly 200 other community organizations to deliver even more eye-opening opportunities. While it costs us $2,900 per member each year to deliver these enriching activities, we charge our members – many of whom come from low-income households – only $25/year and just $5/year for teens. We would not be able to do that without your help.

So let me end by expressing my deep appreciation to you. Your support allows us to nurture the potential of 16,000 children a year—children who will become invaluable contributors to our great city and our future.

With gratitude,

Dana Smith
Chair of the Board
Marilyn Keane was a dear friend of Boys & Girls Clubs of Boston and a dedicated and active board member who truly understood the mission of the organization.

Her involvement began 25 years ago with BGCB's Antique Show because of her immense love of the fine arts. She then served on the Antique Show Committee and as its Chair and Honorary Chair, holding meetings and a dinner at her home, before joining the Board of Overseers in 1998 and subsequently, the Board of Directors in 2000. Her committee service over the years spanned from the Development and Governance Committees, to ad hoc committees including the Education Advisory Committee and the Feasibility Oversight Committee.

Marilyn's continued involvement with BGCB was due to the deep love that she and her husband had for the work of the organization. Throughout the years, Marilyn and her husband John were actively involved and they never missed a great fundraiser, including House Party, often times bringing their friends. Marilyn loved sitting right by the dance floor so she could visit with everyone in the room.

The Keane family's sense of community led them to make a transformative gift to the Charlestown Club, naming the Keane Children's Center in 2001. Their son Brian continues to be involved as an Overseer today.

In the fall of 2013, Marilyn was elected to the Senior Advisory Board, where she actively served alongside other longtime, esteemed BGCB leaders. Marilyn is missed by everyone at BGCB, and her impact on the youth we serve will last for years to come.
Investment in youth is key to sustaining Greater Boston’s vibrant and diverse business community. For this reason, Boys & Girls Clubs of Boston founded our Corporate Leadership Council (CLC) in 2008 to provide guidance and offer opportunities for the city’s business leaders to engage more deeply in our work.

Current CLC events include annual breakfast meetings that feature a prominent keynote speaker and related highlights of Club and program activities. In FY15, we were pleased to welcome Robert Reynolds, President and CEO of Putnam Investments and Dr. Tommy Chang, Superintendent of Boston Public Schools, as our featured guests.

In its first year, the Mattapan Teen Center, the only program of its kind in Mattapan, saw 260 members.

In addition to educational programming, the Teen Center offers opportunities in music production, song writing, recording and performing, promotes healthy lifestyles through athletic programs including Zumba and yoga, and offers daily healthy meals. In the Foundation Room, members express themselves through theater arts, musicals, plays, and dance classes. In the Knowledge Lab, teens work together to learn creatively, transform their ideas, and expand upon what they learn in school. Inspired by a diverse group of peers and encouraged by enthusiastic staff, members rely on the Teen Center as more than just a safe place to go after school and on Saturdays. Through SAT prep classes, college tours and engaging daily programming, teen members are honing their talents, preparing for their futures, and becoming leaders.

WHEN THE MATTAPAN TEEN CENTER OPENED, Clark’s friends sent him photos of the impressive facilities and encouraged him to join. He decided to check it out one day after school, and by February the Hyde Park teenager was at the Club every day. Now 16-years-old and a junior in high school, Clark credits the structured schedule and homework-first policy enforced at the Club with his improved performance at school. He thinks of the Club staff as a family of older brothers and sisters, helping make sure he’s comfortable and safe, doing well in school, and shaping him to be a leader. “The staff truly care about us. If I’m having a bad day, they are the people I want to talk to. They keep us accountable and teach us how to be leaders.”
Ron Carroll, Director of the Mattapan Teen Center, with 16-year-old member Clark.

Throughout our history, BGCB has leveraged the expertise and resources of other organizations to broaden our reach and deepen our impact. Our reputation for exceptional program delivery has, in turn, made us a sought-after partner for organizations seeking to provide beneficial programs or services to children and teens. BGCB’s partnerships play a vital role in serving members, in leveraging resources for maximum impact, and in helping us develop effective citizens and leaders among the youth we serve.

**Yawkey Club members reach the summit! Appalachian Mountain Club supplies BGCB’s Adventure Clubs with hiking and camping equipment, allowing members to experience the wilderness.**
The Edgerley Family South Boston Club's renovated Music Clubhouse. The updated space allows for collaborative performance and will host CD release parties, Open Mic nights and other performances.
FOR JILL HILLIARD AND HER HUSBAND SHAWN, THE EDGERLEY FAMILY SOUTH BOSTON CLUB HAS BEEN A SECOND HOME FOR DECADES. BOTH MEMBERS SINCE THE AGE OF 6, JILL AND SHAWN FORGED A STRONG BOND AT THE CLUB.

As teens they became Junior Staff members, and at 19 they proudly told their “Club Family” they had begun dating. Now married for 18 years, Jill and Shawn have three children who have found a second home at the Club, too. Brooke, a Myra H. Kraft Giving Back Scholarship recipient currently in her second year at Dartmouth College, was a Club member for 12 years, including 4 years as a Junior Staff member. Allison and Robert, both teenagers, also spend almost every day at the Club. “When you’re a working parent, there is no better resource than the Boys & Girls Club. It’s like a surrogate family.”

Today, Jill and her husband both work for the City of Boston and remain close friends with many other Club alumni. “Most of our other friends who didn’t come to the Club ended up going other ways, getting involved in drugs and other dangerous behaviors. We’re glad our kids still have the Club as a safe space.”

THROUGH A REMARKABLE $11.3 MILLION CAMPAIGN led by honorary co-chairs Sandra M. Edgerley, Ray Flynn, David Lindsay-Abaire and Kevin Phelan, the South Boston Boys & Girls Club was renovated in 2015 to support essential enhancements that will have a lasting effect for generations to come. The new space includes safe, accessible and thoughtfully designed program spaces, which are a necessary component of the experience we create for members. The space also features a commercial quality kitchen and a state-of-the-art music clubhouse that allows more members to take advantage of the music program at the Club, including recording sessions in the studio, vocal development, instrument lessons and music theory training. The new facility was dedicated as the Edgerley Family South Boston Club in honor of its principal benefactors.
Boys & Girls Clubs of Boston’s Friends Council provides opportunities for volunteering, as well as professional and social networking, while connecting young professionals who share a desire to help urban youth. The Friends Council represents the next generation of BGCB leadership and many members are continuing their family’s legacy of supporting BGCB.

Friends Council Co-Chairs Mike DiMella and Alison Glover pose with Jordan Club member Lily and Nicholas President and CEO Josh Kraft at their annual summer benefit, A Night With Friends.
South Shore Campership Initiative

Formed in 2004, this initiative connects residents of the South Shore to Roxbury youth by funding summer camperships at the Yawkey Club. In its 11th year, the Committee raised more than $45,000, providing more than 400 week-long summer camperships.

Weston Friends of the Blue Hill Boys & Girls Club

Formed in 2010, the Weston Friends of the Blue Hill Boys & Girls Club support summer camperships at the Blue Hill Club in Dorchester. This year, they raised more than $20,000, allowing 55 Club members to attend camp at the Club all summer.

LAST YEAR, APPROXIMATELY 20 MEMBERS, AGES 14-18, FROM THE YAWKEY CLUB OF ROXBURY AND THE BLUE HILL CLUB IN DORCHESTER, WERE PRESENTED WITH A UNIQUE PHILANTHROPIC OPPORTUNITY.

As part of the Highland Street Youth Philanthropy Initiative, participants learn about the needs of their community and evaluate local nonprofits, as they sharpen their analytical and critical thinking skills and gain real-life experience in the non-profit sector. They were given $5,000 to award to the charity of their choice, and they learned a lot in the process.

During the 5-month-long program, members analyzed grant proposals, studied non-profit budgets, interviewed key staff members and conducted extensive research on non-profits in their community. Participants then shared their findings with one another and collectively decided how to allocate the funding. At the culmination of the program, members awarded the grants to their two chosen organizations at a check presentation ceremony.

Boys & Girls Clubs of Boston has partnered with the Highland Street Youth Philanthropy Initiative since 2009 when it was launched by the Highland Street Foundation to extend the impact of their giving. Since the start of this partnership, the program has trained nearly 120 BGCB members to donate $60,000 to local community-based organizations.

ECHÉ, 15, AND DYANA, 17, are both members of the Blue Hill Club and participated in the Highland Street Youth Philanthropy Initiative. “This year we chose to allocate the grants to Rosie’s Place and Rivals Basketball Club. They presented the best plan for how the money would be used with the biggest impact on the community,” says Dyana. “For us, it was important that the organizations had low overhead costs and served as many people as possible with their budget. It’s a great program to learn about how non-profits help our community. I’ve been given so much and now I want to give back,” says Eché.

President’s Circle

Boys & Girls Clubs of Boston gratefully acknowledges the members of the President’s Circle for their exceptional leadership and generous financial support. Individual, corporate, and foundation members of the President’s Circle contribute $100,000 or more each year, making a positive, lasting impact on the 16,000 youth we serve in Boston and Chelsea. The following list recognizes those donors who made unrestricted and restricted current use, endowment, and capital gifts totaling $100,000 or more during fiscal year 2015.

FREDERIC C. CHURCH SR. LEGACY SOCIETY

Known as "Mr. Boys Club," Frederic C. Church Sr. was a driving force in the growth of what is now Boys & Girls Clubs of Boston. The civic-minded World War I veteran served as a BGCB volunteer leader for nearly 55 years and as Board president from 1935-1955. Mr. Church sought to ensure BGCB had a financial foundation that was built to last. He worked tirelessly to secure annual gifts, endowment support and bequest commitments.

Today, the Frederic C. Church Sr. Legacy Society is comprised of friends who have named Boys & Girls Clubs of Boston in their wills or trusts, or established a charitable gift annuity or other type of planned gift. These gifts serve future generations of Boston and Chelsea youth while strengthening the organization for years to come.

We invite you to consider becoming a member, or to let us know if you have already made a commitment of this nature. For more information, please contact Elizabeth Stevens, Planned Giving Officer, at (617) 994-4784 or estevens@bgcb.org.

Overseers Catherine Cantillon and Beverly Bunker with members at the Edgerley Family South Boston Club.
AMONG BOYS & GIRLS CLUBS OF BOSTON’S GREATEST RESOURCES IS ITS BOARD OF OVERSEERS. IN 2015, THIS BOARD WAS COMPRISED OF 123 INDIVIDUALS WITH AREAS OF EXPERTISE IN A BROAD RANGE OF FIELDS INCLUDING ARCHITECTURE, FINANCE, TECHNOLOGY AND LAW.

Each Overseer served proudly as an ambassador and advocate for BGCB in the community, and offered time, resources, and unique skill sets in helping BGCB to open doors and create opportunity for 16,000 youth across Boston and Chelsea.

A remarkable 51 Overseers served on 16 Board Committees, and nine served on Local Advisory Boards at Clubs and YouthConnect. Many others assumed leadership roles for events and initiatives including Annual Dinner, House Party, Friends Council and Artemis Circle.

Our Overseers offered goods and services at low or no cost to the organization, participated in holiday gift drives, mentored members, provided summer jobs and internships, and volunteered in the Clubs as presenters at career exploration symposiums and as Youth of the Year judges.

In addition to sharing their time and talents with Club members, 94% of Overseers made a financial gift to BGCB, providing more than $1 million in FY15 support. BGCB is very grateful to this dedicated group of leaders and advocates.
The Artemis Circle, Boys & Girls Clubs of Boston’s women’s leadership council, was designed to allow women to be involved with BGCB in a way that works best for them. This initiative is bringing the energy and passion of like-minded women together to collectively make a difference in the lives of Boston’s youth. Through fundraising, volunteering and a collective voice, the Artemis Circle supports BGCB’s commitment to help all children discover their talents and work towards achieving their dreams.

THE COLLEGE APPLICATION PROCESS CAN BE DAUNTING, ESPECIALLY WHEN IT COMES TO DETERMINING HOW TO PAY FOR A POST-SECONDARY EDUCATION.

Since 2009, Boys & Girls Clubs of Boston has partnered with uAspire, formerly known as ACCESS, to inform Club members and their families of available resources and to help them find an affordable path to a college degree.

Club staff and uAspire's trained Financial Aid Advisors provide assistance throughout the entire financial aid process, beginning as early as a member's freshman year of high school. When members enter their senior year, meetings become more frequent and uAspire advisors host one-on-one and group workshops for Club members and their families, beginning in September and continuing through May. Participants are guided through every step of the application process including how to complete necessary financial aid forms, analyze student loan options and understand repayment expectations, search and apply for scholarships, compare financial award letters and finally, choose a cost-effective option that best fits their needs.

During the 2015 program year, uAspire worked with more than 75 BGCB families to overcome financial barriers and make college an affordable reality.

DIAMOND GREEN, a former Yawkey Club of Roxbury member, and now a freshman at Radford University in Virginia, began working with uAspire during her sophomore year of high school, “I needed a lot of help during the college application process and met with Club staff and uAspire leaders a few days each week. They held a ton of beneficial workshops — my mom and I went to every single one!”

During the sessions, Diamond and her mom learned how to complete the FAFSA application and learned about appropriate scholarships for Diamond.

Diamond says, “uAspire and the Boys & Girls Club provided more assistance with the college application process than I could have imagined. I'm the first in my family to go to college and I truly believe I wouldn't be at Radford University today if it weren't for them.”

Adopting Healthy Lifestyles

NARYIAH, a 9-year-old member at the Charlestown Club, has enjoyed participating in Health Club. Her favorite days are when Health Club focuses on healthy cooking.

“I love learning recipes and trying new vegetables with Grace. We learn about where the food comes from and how it grows. When we made pico de gallo, I learned how to mince garlic and also tasted cilantro for the first time. I like learning how to make healthy things at the Club because I can go home and teach my family the recipes too!”

BOYS & GIRLS CLUBS OF BOSTON RELIES ON THE EXPERTISE OF MORE THAN 200 COMMUNITY PARTNERS TO CONNECT OUR MEMBERS WITH LIFE-CHANGING OPPORTUNITIES AND EXPERIENCES.

Thanks to a partnership with Massachusetts General Hospital, Mass General Hospital for Children and the MGH Center for Community Health Improvement, members are learning at a young age how to live a healthy lifestyle.

The partnership enables BGCB to employ two year-round health professionals. Patricia McCarthy, a registered nurse who also works at MGH, and Grace Lichaa, a public health expert, deliver fun and educational workshops to members on topics including dental care, nutrition, proper hygiene and active living.

“By teaching the importance of wellness at an early age, we hope to set our members up for a lifetime of healthy living,” says Grace, who has a Master’s degree in Public and Community Health from John’s Hopkins University. “We make the workshops fun for members and show how simple it can be to integrate healthy choices into their lives.”

The partnership also allows for two additional nurses to support campers at the Clubs during summer months. Through the support of MGH, Boys & Girls Clubs of Boston is able to serve children with health conditions that require special attention and monitoring, like diabetes or seizure disorders, who without this added support would not be able to participate in Club activities.

VOLUNTEERS

Nearly 1,000 volunteers participated in one-day volunteer initiatives in fiscal year 2015, and more than 500 additional individual volunteers gave their time on an ongoing basis to BGCB. These volunteers included local college students, corporate partners, and BGCB alumni, among others, who committed at least one hour each week for 12 weeks, providing programming and administrative support to our 11 Clubs. In total, volunteers committed over 12,000 hours to strengthening our Clubs and continuing our mission.

INDEPENDENT AUDITOR’S REPORT

To the Board of Directors
The Boys and Girls Clubs of Boston, Inc.
Boston, Massachusetts

Report on the Financial Statements

We have audited the accompanying financial statements of The Boys and Girls Clubs of Boston, Inc. (the “Organization”) which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Boys and Girls Clubs of Boston, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
