The Blue Hill Club opened in 1995 and has established a solid foundation of providing a safe haven, positive youth development and quality programming. In 2007, the Club finished an extensive renovation to accommodate more youth in the community. In 2016, as a way to recognize Berkshire Partners’ unwavering support, long-standing commitment, and financial contribution, we decided to rename our Club to the Berkshire Partners Blue Hill Club. Currently, we annually serve approximately 1,000 members, plus hundreds more youth through our facilities and community outreach.

Our Club also has a masters-level, licensed social worker who is an integral member of the staff and uniquely trained to help members with difficult situations or crises.

Membership Information
We aim to keep our Clubs and programs affordable and accessible to accommodate more youth who need us. Annual membership rates are $25 for youth ages 6-12 and $5 for teens ages 13-18. There is an additional cost for our summer camp program which has a separate application process and fee.
