Our mission is to help young people, especially those who need us most, build strong character and realize their full potential as responsible citizens and leaders.

We do this by providing: a safe haven filled with hope and opportunity, ongoing relationships with caring adults, and life-enhancing programs.
This year – and for the last three years – under the remarkable leadership of outgoing Board Chair Dana Smith, Boys & Girls Clubs of Boston has worked diligently to develop an incredible breadth and depth of thoughtfully designed programs to help our members succeed academically, live healthy lifestyles, practice good citizenship and be prepared for life after the Club. In this report, I invite you to read about just a few of the opportunities we provided to more than 17,000 young people at our Clubs.

While BGCB invests $3,100 to serve each member – many of whom come from households with incomes of less than $33,000 per year – we only charge $25 per school year for 6-12 year olds and just $5 a year for teens – and no child is turned away because of an inability to pay. Each one of the generous contributions made by the individuals, corporations, foundations and community partners listed in this report played an important role in making this possible.

In order to stay affordable and continue to offer even more enriching programs to the kids who need us most, I am excited to share that we successfully completed our five-year Opening Doors Campaign for Our Children, Our City, Our Future and surpassed our goal of $125 million – raising $131 million! We have also exceeded our planned giving goal of securing over 75 members of the Frederic C. Church Sr. Legacy Society. On behalf of the entire organization, thank you for your relentless advocacy for the children and teens we serve.

In the history of Boys & Girls Clubs of Boston, this is an enormous accomplishment. The incredible momentum you have created will maintain the strength of the organization well into the future. I hope that you will continue to support us along the way.

On behalf of all the young people who benefit from the opportunities you help us provide to them, thank you.

With gratitude,

Josh Kraft
Nicholas President and CEO*
Dear Friends,

It was my honor to lead so many incredibly talented board members and work alongside Josh Kraft for the last four years. The commitment of BGCB’s Board and staff to continuous improvement and innovation is what makes Boys & Girls Clubs of Boston so effective. I am proud of what we accomplished and excited for the future.

One program that I am especially pleased to see grow is BGCB’s Youth Jobs Initiative, established in 2013 in partnership with Greater Boston’s corporate community. The Youth Jobs Initiative connects our members and Club Alumni to paid summer internships that are increasingly hard for many teenagers from low-income communities to attain. These opportunities help to develop the skills, habits and developmental experiences necessary to be successful in the workforce. The initiative also works to educate employers and workplaces about the talent and drive that exists in communities they may not traditionally tap for talent. While I am no longer the Chair, I will continue to work on this initiative and invite you to contact me directly if you would like to get involved.

I could not be more delighted that Bruce Jacobs is my successor. Bruce’s breadth of knowledge of BGCB over 15 years, his thoughtful leadership as Chair of the Trustees, his many strategic contributions and his leadership abilities ensure that he is extremely well positioned to lead BGCB through this next phase as Chair. Bruce will wrestle with the important strategic questions in front of all of us and lead our ongoing discussions around depth and growth.

Lastly, I would like to express my deep appreciation to you. Your support and engagement enable us to nurture the potential of all of the children we serve and has a powerful impact on the future of our great city.

With gratitude,

Dana Smith
Chair of the Board of Directors
In 2013, Boys & Girls Clubs of Boston embarked on a comprehensive campaign to raise $125 million in three crucial funding areas:

capital improvements, endowment, and five years of operating costs and strategic investments. With your help, we surpassed our goal, raising an incredible $131 million.

The investments made in staffing, programs and facilities as a result of this campaign already have had a major impact on BGCB’s work, helping us to serve more youth, deepen the impact on each member, and strengthen the communities we serve.
The value of BGCB’s endowment reached $59 million in FY17, an increase of more than $20 million from the beginning of the campaign. This growth gives us the stability we need to create a brighter future for Boston for generations to come.

Endowment income now generates over $2 million, or approximately 8% of our annual operating budget.

Your support opens doors of opportunity to 17,000 young people each year.

Research shows that youth who regularly attend and participate in Club programs once a week or more will be on track to achieve success in our priority outcome areas of academic success, healthy lifestyles, and good character and citizenship. Because of investments in our innovative staff and programs, the number of members attending once a week or more increased by more than 20% between FY12 and FY17. In each of the last three years, more than 70% of members attended at this important frequency.

Endowment income now generates over $2 million, or approximately 8% of our annual operating budget.
Enhanced Programming

The largest portion of the Opening Doors Campaign supported our ongoing efforts to enable our talented and compassionate staff to deliver high quality programs in a safe, supportive environment to the youth we serve across Boston and Chelsea every day. Unrestricted operating funds allowed for the following investments and successes:

92% of BGCB seniors who graduated in 2017 began college in the fall.

BGCB has placed an increased emphasis on members’ graduating high school ready for the future. We enhanced pre-teen staffing and transition programming, and added the Director of Academic Success position to oversee education programming at every Club.

310,000
HEALTHY MEALS AND SNACKS SERVED:
Campaign support allowed for enhanced capacity in our healthy lifestyles programming with the addition of a Director of Healthy Lifestyles, nurses, kitchen staff, culinary directors, and healthier food options. BGCB served more than 310,000 healthy meals and snacks in 2017 alone.

8
COMMUNITY GARDENS:
Members at eight of BGCB’s Clubs participate in community garden programs, through which they learn to harvest their own food. Vegetables grown at Club gardens are eaten for snacks and incorporated into lessons in healthy eating and cooking.

$129,000
IN SCHOLARSHIP SUPPORT:
Scholarships increased 52% from $85,000 in FY12 to $129,000 in FY17.
1,400 Volunteers

An added position, the Myra H. Kraft Director of Volunteer Services, supports Clubs in securing and managing volunteers. In 2017, BGCB benefitted from more than 1,400 volunteers who provided invaluable support to Club staff and members.

311 Staff Members

BGCB’s total number of program year staff members has increased 21% over the course of the campaign. All five of BGCB’s freestanding Clubs have invested in senior program leadership positions to better support staff, provide more member outreach and better serve our youth.

$15.5 mil. in Capital Support

The Capital component of the Opening Doors Campaign allowed us to fully renovate two facilities. The former Mattapan Library was transformed into the state-of-the-art Mattapan Teen Center, which opened in 2014. The Edgerley Family South Boston Club was renovated in 2015 to include safe, accessible, and thoughtfully designed program spaces, which are a necessary component of the experience we create for members.

81 JUNIOR STAFF MEMBERS:

Junior Staff positions at the Clubs help teens receive employment experience, professional development, job skills training, and leadership opportunities. The number of junior staff increased 93% from 42 in FY12 to 81 in FY17.

513 ADDITIONAL MEMBERS SERVED:

BGCB opened two new Clubs: The Hennigan Club in Jamaica Plain, and the Mattapan Teen Center. In FY17, we served an additional 513 members through these Clubs.
William, a 13-year-old member of the Edgerley Family South Boston Club, has been coming to the Club since he was six years old, but recently has found a new favorite place on the stage. William first starred as Pumbaa—a loveable, singing warthog—in the Club’s production of The Lion King. “When I first signed up for the play, I thought it would be a more amateur production,” William says, “but instead it was like a HUGE BROADWAY HIT! The thing that was so great about it was that people who didn’t even have ties to the Club were coming to see the show.” William went on to star as Daddy Warbucks in the Club’s production of Annie, and plans to audition and get involved backstage for the next show, Grease. “It’s a great way to let off steam at the end of the day,” William says, “and it’s helped us all become more confident. This definitely isn’t the last you’ll see of us—there’s lots more to come!”
creative ways to offer innovative activities in new state-of-the-art program areas. Last year, in the Lovett-Woodsum Performing Arts Center, nearly 50 members of all ages performed *The Lion King*, the Club’s first theatre production in 15 years. For three months, the entire Club was abuzz in preparation for the big show—members created set pieces, props, and costumes from recycled materials in the Wagner Family Discovery Room, using their imaginations to morph into lions, hyenas, zebras, giraffes and elephants. They ran their lines and practiced their choreography on the Bryan Rafanelli Stage and learned vocals in the music clubhouse. The show was a hit, and even offered an encore performance later in the year.

After several more months of preparation, 38 members once again took to the stage in 2017 to present another crowd-pleaser, *Annie*. Since then, members have presented talent shows and recitals, and currently are participating in a *Grease* workshop, intended to help them prepare to audition for the Club’s next big musical.
When it came time to elect a new chair of the Board of Directors, Bruce Jacobs was a natural choice.

Over 15 years ago, Bruce, as a former Club kid, instinctually called BGCB looking for an opportunity to give back to his Boston community. A few months later, he attended his first meeting and shortly thereafter he joined the Board of Trustees—later serving as its chair—before moving onto the Board of Directors. His incredible strategic thinking and exceptional leadership skills, gained from years as an outstanding investment manager, are demonstrated at every board and committee meeting he attends. His passion for the youth of Boston is unmatched and is illustrated in his philosophy as Board Chair. He says, “We have not only the opportunity, but the responsibility to invest in the youth of our city. They are the future of Boston and deserve every opportunity to succeed.” Bruce’s dedication and enthusiasm inspire fellow board members and BGCB staff to go the extra mile. Bruce looks forward to leading BGCB as it works to meet its ambitious goals and set a course for the future.
As a child in Bellevue, Washington, Bruce looked forward to attending his neighborhood Boys & Girls Club every day. His favorite memories surround the Club’s basketball court. Whether he was competing on the Club team or playing a pick-up game after finishing his homework, the court was a space for him to have fun and let loose. Playing basketball, Bruce gained confidence while learning about healthy competition and team building skills. Today when Bruce visits the Clubs for pizza parties with the kids, to volunteer, or to shoot a few hoops with members, he remembers his days as a Club kid and the support he received growing up to pursue his dreams.
Twins Melaki and Myaja started participating in the Reading Coaches program in the fall of 2015, when they were in first grade. Both very shy, the twins initially insisted on reading together even though Melaki tested at a higher grade level than Myaja. Over time, Generations Incorporated volunteers Ms. Lenora and Ms. Holley built strong and trusting relationships with Melaki and Myaja, and the twins finally agreed to work independently. Currently in third grade, the twins read separately now, and their reading skills have progressed significantly. Myaja says, “I like reading with Ms. Lenora. Now I’m not scared to read out loud in school.”
Generations of Learning

Last year, 183 members from the Yawkey Club of Roxbury, Edgerley Family South Boston Club, and Berkshire Partners Blue Hill Club benefitted from one-on-one intensive literacy mentoring through our Reading Coaches program. In partnership with Generations Incorporated, the program brings together highly trained volunteers, age 50+, with children in grades 1-3 who are struggling to read at grade level and at risk of school failure. The program is especially important to members at this age, as 4th graders who cannot read at their grade-level are four times more likely to drop out of high school than their classmates. Helping more children master reading by the end of 3rd grade increases their likelihood of graduating high school, earning a college degree and a livable salary, and enjoying a productive future.

Each child meets with his or her reading tutor twice a week during the school year for structured literacy sessions with four key parts: a fun activity that introduces the book, a preview of difficult vocabulary words, a joint reading session with open-ended questions to guide conversation, and follow-up creative writing or drawing activities. Members are tested on their progress weekly, and their tutors celebrate their every success. By the spring, 76% of members in the program showed accelerated progress, and 62% had reached their benchmark.

A top predictor of a child’s future success is a committed relationship with a caring adult. By giving each young reader a consistent mentor, the program also addresses members’ socio-emotional needs. As community members, the tutors have personal knowledge and connection to the community, which adds to their commitment and the relationships they are able to make with their students and their students’ families.
The *Empathy Through Understanding* Program taught Jordan Club members about various disabilities while promoting the importance of empathy and inclusion in the Club. Each week members discussed their knowledge of a “disability of the day” and participated in a role-playing activity that deepened their understanding of the disability. Activities included wearing earplugs as friends talked, using dark goggles when reading, and maneuvering the hallway in wheelchairs. At the end of each session, members reflected as a group on their experience, ways students with that disability may get left out in the Club or at school, and actions they can take to support those students. Next year, several participants of the program will act as *Empathy Through Understanding* ambassadors by modeling inclusion in the Club, leading group discussions, and sharing the lessons they learned with other Club members.

With the increase of bullying in social situations, it is clear youth do not always treat others the way they would like to be treated. *Empathy Through Understanding* not only helps members become more empathetic towards others, but it also creates an inclusive environment in the Club where all members feel comfortable and safe.

As a 2016 winner of the President’s Innovation Fund Award, *Empathy Through Understanding* offers a creative approach to teaching empathy. The award ranges from $500 - $2,000 and encourages staff to cultivate innovative programs to support the mission of BGCB.
Mia, 9, is a member of the Jordan Club in Chelsea and participated in Empathy Through Understanding. She enjoyed the program and says it changed the way she communicated with friends in the Club and at school. “I learned how to address people because not everyone thinks the same way as I do,” she says. “I also learned that sometimes people aren’t mean to me on purpose, they may just not know how to control their emotions.” Mia is excited to teach her friends different ways they can show kindness to others.
Boys & Girls Clubs of Boston gratefully acknowledges the members of the President’s Circle for their exceptional leadership and generous financial support. Individual, corporate, and foundation members of the President’s Circle contribute $100,000 or more each year, making a positive, lasting impact on the 17,000 youth we serve in Boston and Chelsea. The following list recognizes those donors who made unrestricted and restricted current use, endowment and capital gifts totaling $100,000 or more during fiscal year 2017.

Bold denotes membership in Boys & Girls Clubs of Boston’s Keystone Society, which recognizes five years of consecutive giving.
We would like to recognize the Church Society members whose forward-thinking legacy gifts will be opening doors for thousands of young people in Boston and Chelsea for generations to come. If you have already included Boys & Girls Clubs of Boston in your estate plans, or to learn more about becoming a member, please contact Elizabeth Stevens, Director of Planned Giving, at (617) 994-4784 or estevens@bgcb.org.
YOUR LEGACY. OUR MISSION.

Boys & Girls Clubs of Boston’s Opening Doors Campaign allowed us to meet the growing needs of the youth we are serving today – and who we will serve tomorrow. The establishment of the Planned Giving program is a key example of this, as legacy gifts will contribute to the stability and long-term growth of this organization. To launch this program we set two ambitious goals over and above the $125 million campaign goal: to reach 75 members of the Frederic C. Church Sr. Legacy Society and to secure $20 million in planned giving commitments. It is exciting to report that we have exceeded both!

The Church Society grew to 78 members during the campaign, thanks to 63 new commitments. Members included Boys & Girls Clubs of Boston in their wills or trusts, designated us as a beneficiary of their retirement plans, or remembered us through other types of planned gifts. Additionally, through these vehicles, $24.2 million has been received or pledged. This remarkable – and growing – pipeline of support will help to maintain this organization well into the future, sustaining our mission and allowing us to remain innovative.
Richard Harte Jr.

“He was my mentor and idol”
- Tribute to Dick Harte by John U. Harris Jr.*

Dick Harte was involved with Boys & Girls Clubs of Boston for 60 years, and served as Board Chair from 1968 to 1972. He led us through two of the most important changes in the Clubs' staffing and governance, without which we would not be sitting here today so amazed and proud at what the Clubs have become.

During Dick's term as Vice President, under Paul Hellmuth, it became necessary to hire a new Executive Director (now it would be a CEO). Paul and Dick decided that the job called for someone with a business background. A search casting a wide net was begun and Fred Davis, a young man who had headed up the successful initial marketing of State Street Bank's credit card (the first in Boston), was hired for the position. Fred in his time at the Clubs added great dimensions to our funding sources and to the variety of programs we offered. We have since benefitted greatly from our willingness to look at many sources for our CEOs.

Dick's most important act was in 1967 during the civil rights era. From early on, Dick met with community leaders to ensure our Clubs were best serving their unique communities. With their counsel Dick replaced the clubhouse director and the staffing at the Roxbury Club completely with African Americans, and created a clubhouse advisory board comprised of Roxbury residents. The flow of information and suggestions from this local board made the Club more effective, and this format was replicated in the other clubhouses, and continues today.

When I became Board Chair and was faced with a decision which I would have to present to the Directors for approval (and, I confess, at least once without such an approval) I would always ask myself, "How would Dick have responded to this?" before making up my mind. He was my mentor and idol. The Clubs have lost a Super Star.

John U. Harris Jr. was a member of the Senior Advisory Board and was involved with BGCB from 1963 until his passing in 2017, also serving as a Trustee, a Director, and Chair of the Board of Directors (1972-1976).

“He always put the needs of children at the center of his decision making”

- Tribute to John Harris excerpted from the eulogy given by Dana Smith

John Harris served on our Board for more than 55 years, including as Board Chair from 1972-76. Beyond the core values he brought to his service, John played a pivotal role in transforming our Clubs.

He always put the needs of children at the center of his decision making, even when those needs made him worry, or put him under tremendous fundraising pressure, or ran up against the demands of social convention.

It was in 1973 when, as our Board Chair, John heard on a Wednesday that what was then known as the Girls Clubs was bankrupt and going out of business that Friday. In his own words: ’I said, ‘fear not ladies, on Monday the Boys Clubs will take over the program.’ Now I didn't have authorization from the board, I hadn't talked it over with the staff and back at the office, my white horse that I had gotten on began to fade... but I just said that this is something that has to be done.” John worked closely with Fred Davis on this pivotal change, and it would be another decade before the organization became Boys & Girls Clubs of Boston under Bobby Cleary Sr.

When we were looking at the idea of building a clubhouse in Chelsea but wrestling with whether such a project would detract from the needs of the existing Clubs, John was vocal about his hesitations but agreed to chair the exploratory committee. I remember the day that he stood up in the board room to speak about why he had been persuaded that this was a project we needed to do. John said that he realized that Chelsea was badly in need of our services – and with the right strategy we could afford to build that Club, and so we must build it.

Boys & Girls Clubs of Boston’s health and dynamism today are a tribute his leadership. John will forever be baked into our foundations and future successes.

Dana Smith has been involved with BGCB for more than 25 years as a staff member, volunteer, Trustee, and Director. She served as Chair of the Board of Directors from 2014 – 2017.

**Frederick J. Davis**

“We will always remember him for his legacy”

- Tribute to Fred Davis by Kevin Phelan

Fred Davis was somewhat of an iconic figure in Boston banking and I first met him the summer of 1966, when I joined State Street Bank. He wrote the book on Marketing 101. He was the ultimate people person and he was determined to put State Street Bank – who had been the successor to several bank mergers – on the map! A city boy from West Roxbury with an incredible education in Roxbury Latin, Harvard, and Harvard Business School, Fred was full throttle in taking the Bank to another level.

And somewhere along the line, Fred saw an opportunity and the need to give up his flourishing career with the Bank and move onto the Boys Clubs of Boston (as their Head Honcho). He never stopped helping kids. In fact, it was he and Bob Cleary who ultimately facilitated serving young women with a permanent name change to Boys & Girls Clubs of Boston. Despite the pressure from the Boys Clubs of America for making such a bold move, he and Bobby stood strong and laid the groundwork for the organization it is today.

Notwithstanding all the good he did for Boys & Girls Clubs of Boston, Fred was truly an iconic figure in Boston’s philanthropic world. His charities are too many to recite, but he never forgot his home of West Roxbury, where he played a major role on the Forest Hills Cemetery Board, the Freedom Trail Foundation and Boston City Hospital. Again, these are but a few of the organizations impacted by Fred’s involvement.

His extensive network reached Boston’s politics, corporate and civic leadership, and we will always remember him for his legacy with Boys & Girls Clubs of Boston.

Thank you, Fred, for all you have done.

"Jack was a man of intense personal integrity"
– Tribute to Jack Weitzel by Jeff Jones

Jack Weitzel, a longtime Boys & Girls Clubs of Boston loyalist and Senior Advisory Board member, died at the age of 93 in December 2016. He was a distinguished member of the Boston bar, having practiced law at the firms of Herrick & Smith and Palmer & Dodge after public service in the United States Treasury Department during the administration of President Eisenhower. Jack had many interests and affiliations, but Boys & Girls Clubs of Boston was at the top of his list of organizations to which he devoted his time, his talent, and his resources.

He joined the board of this organization in 1964, serving as a Director for many years – often as a sounding-board and advisor to successive board chairs and executives. He provided guidance and advice on Boys & Girls Clubs of Boston’s governance structure and helped to revise its by-laws in the 1970s.

Jack was also a man of intense personal integrity, and brought his high expectations for ethical behavior to every organization with which he was affiliated. I can remember after a Teen Recognition Dinner, at which an invited speaker included remarks that Jack considered inappropriate for the youthful audience of Club members, his insisting on having the floor at the next board meeting to express his dismay at the episode and his expectation that it would never be repeated. It was never repeated.

Boys & Girls Clubs of Boston was much the better for having Jack Weitzel at the core of its leadership for so many years.

Jeff Jones is a member of the Senior Advisory Board. He has been involved with BGCB for more than 40 years, and served as Chair of the Board of Directors from 2002 – 2005.
Throughout our history, BGCB has leveraged the expertise and resources of other organizations to broaden our reach and deepen our impact. Our reputation for exceptional program delivery has, in turn, made us a sought-after partner for organizations seeking to provide beneficial programs or services to children and teens. BGCB’s partnerships play a vital role in serving members, in leveraging resources for maximum impact, and in helping us develop effective citizens and leaders among the youth we serve.

Corporate Leadership Council

Investment in youth is key to sustaining Greater Boston’s vibrant and diverse business community. For this reason, Boys & Girls Clubs of Boston founded our Corporate Leadership Council (CLC) in 2008 to provide guidance and offer opportunities for the city’s business leaders to engage more deeply in our work. Current CLC events include annual breakfast meetings featuring a prominent keynote speaker.

Joseph E. Lovejoy Teen Leadership Fund

Created in 2007 in memory of long-time BGCB Director and former Board Chair Joe Lovejoy with seed money from Joe's planned gift to BGCB and gifts from the Ensign-Bickford Foundation, this fund underwrites activities that provide unique leadership opportunities and recognizes the accomplishments of our teen members.

The Ensign-Bickford Foundation, Inc.

Nordblom College Club Fund

This fund was established by Rodger and Dawn Nordblom in 2005 as part of their generous commitment to BGCB’s Comprehensive Campaign. The Nordblom College Clubs encourage Club members to apply to college and help to make their aspirations a reality. Club staff members organize trips to visit college campuses, help Club members prepare for entrance exams, and guide members through the complex process of completing admission and financial aid applications.

Thomas A. Pappas Chef’s Club

One of BGCB’s oldest restricted endowed funds, this fund supports programs that provide opportunities for Club members to learn essential skills such as how to plan, prepare and serve a healthy, well-balanced meal.

Whitlock Fund for Inspirational Leadership and Excellence

Created in 2008 to honor Linda Whitlock’s 10 years of service as BGCB’s chief executive, this fund supports program team innovations, the President’s Innovation Fund, and staff professional development opportunities.
Opening Doors Campaign: Multi-Year and Special Gift Donors

In 2017 Boys & Girls Clubs of Boston completed the Opening Doors Campaign, which was comprised of three critical funding areas—Programs and Impact, Endowment, and Capital Projects. With your support, we exceeded our ambitious goal to raise $125 million, allowing us to deepen our impact on young people and broaden our reach to serve more youth in neighborhoods of pronounced need. We are grateful to the following donors who made multi-year and special commitments to this effort.

Independent Auditor’s Report

To the Board of Directors
The Boys and Girls Clubs of Boston, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of The Boys and Girls Clubs of Boston, Inc. (the "Organization") which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements (collectively, the financial statements).

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Boys and Girls Clubs of Boston, Inc. as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
