Members ages 11 to 13 plan and implement activities in four areas: service to Club and community, education, health and fitness, and social recreation.

Members ages 14 to 18 receive training to boost academic success, career preparation, and community service.

Early teens are introduced to the world of work as well as the importance of being a part of and giving back to one's community.

Older teens learn to engage with the Club's core areas, while promoting global citizenship and preparing teens to enter a global workforce.
