Innovative programs help members build valuable skills that prepare them for life after the Club while having fun every step of the way.

99% of BGCB Seniors graduated from high school in 2019.

90% of members demonstrate high resilience by persisting with an endeavor, even when it is challenging.
73% of members exercise at least three times per week.

90% of members say there is at least one staff member they would turn to in a crisis.

72% of teenage members have held leadership positions in their club, school, or community.
On behalf of the youth of Boston and Chelsea, Boys & Girls Clubs of Boston has worked diligently to develop a breadth and depth of thoughtfully designed programs. Our mission-driven offerings help our members succeed academically, make healthy choices, practice good citizenship, and prepare for life after the Club. In this year’s report, we invite you to read and learn more about these programs and opportunities, along with the particular features that make our Clubs so special: our exceptional members and dedicated, knowledgeable staff.

BGCB’s 11 Clubs and YouthConnect provide more than just a safe space to go after school with trustworthy adult mentors and educators. Staff members make the Clubs feel like home, establishing a family atmosphere and creating a sense of ownership for members, equipping them with the confidence and resources they need to explore their interests, whether it be music, athletics, reading, technology, or anything in between. All programs keep members engaged and coming back to the Club. With programs ranging from anime to robotics and surfing to photography, members have myriad opportunities to learn new skills and discover their potential.

Our organization is fortunate to have the support of a remarkable group of donors who sustain our mission to serve our community’s young people. Day after day and year after year, we are working together to strengthen our city and beyond. Thanks to you, we provide these extensive programs and resources to our youth each year for only nominal fees and finances are never a barrier to members attending a Club. Each one of the generous contributions made by the individuals, corporations, foundations, and community partners listed in this report plays a vital role in making this possible.

Simply put, none of this would be possible without you.

Over the past year, Boys & Girls Clubs of Boston completed a comprehensive effort to plan for the future of our organization and the youth we serve. As we look ahead, Boys & Girls Clubs of Boston will remain uniquely positioned to narrow the opportunity gap faced by many of our youth by providing our young people with the skills and experiences they need to seize opportunities and be successful as leaders and contributors in the 21st century. In the following pages, we highlight many of the important efforts underway as we further our strategic goals to build skills and provide enriching experiences for the youth we serve.

Again, thank you. Your efforts help us build on more than 125 years of actively making a difference in the lives and futures of the children and teens we serve every day.

With gratitude,

Josh Kraft
Nicholas President and CEO+

Bruce N. Jacobs

+The senior professional position at Boys & Girls Clubs of Boston was named in 2006 in recognition of Pete and Ginny Nicholas to honor their deep commitment to the organization and to further their dedication to ensuring excellence in organizational leadership.
Edgerley Family South Boston Club member
In collaboration with AT&T, Boys & Girls Clubs of Boston launched a new innovative program this spring to equip middle and high school members with leadership and online safety skills for the digital age.

AT&T Positively Digital aims to empower youth to think differently about technology, and use it as a tool for positive change. MTC’s Instagram is one example of how members are making healthy choices online to create positivity and build strong, nurturing communities, both online and off. BGCB is excited to see the creative things our members accomplish as they grow up to be confident, active leaders and citizens in Boston and beyond.

ATTENDANCE AT MATTAPAN TEEN CENTER HAS DOUBLED SINCE NOVEMBER 2018.

In an effort to recruit, engage, and retain teen members, Mattapan Teen Center (MTC) began using social media platform Instagram last fall, achieving tremendous success. After closing out an exciting 2018 summer season with record-breaking attendance numbers, staff wanted to build on the momentum and continue to serve as many teens as possible.

“When members go back to school, their schedules are less flexible and they can’t attend the Club as often,” MTC Teen Director and Berkshire Partners Blue Hill Club alumna Abriana Morales explained. “We wanted to find a way to make sure members didn’t miss announcements, opportunities, and resources.”

Abriana thought an Instagram page would be the perfect way to reach and inform members, even when they can’t make it to the Club every day. She also hoped it would encourage members to return to the Club. It turns out, she was right. Since piloting the program in November 2018, MTC’s attendance has doubled.

The Instagram page has evolved into a virtual community filled with authentic, member-generated content.

Whether it be providing #MondayMotivation, displaying member achievements, or highlighting field trips, the page allows teens and their families to stay connected to the Club anytime, anywhere.

You can follow along, too, @MattapanTeenCenter.
Boys & Girls Clubs of Boston’s Summer Internships initiative was created by former Board Chair Dana Smith. In this program, BGCB Board members and other volunteers work throughout the year with teen leaders at Clubs to prepare them for professional internships. Last summer, Berkshire Partners Blue Hill Club member Eva and Yawkey Club of Roxbury member Alton participated in a six-week paid internship at MFS Investment Management made possible by MFS Chief Investment Officer and BGCB Corporate Leadership Council member, Kevin Beatty. Eva and Alton both agree that the single biggest lesson from their experience was to embrace change.

“Working with students like Eva and Alton as a part of BGCB’s Summer Internships initiative makes MFS employees better people, better parents, and better citizens of the world.”

– Kevin Beatty, Chief Investment Officer, MFS Investment Management

Eva and Alton rotated weekly through the full spectrum of departments at MFS, from Human Resources and Global Marketing to Portfolio Management and Trading. Their internship culminated in a final presentation, which they delivered to Kevin and other MFS employees. Major highlights from the summer included participating in meetings with high-profile corporations and field trips to the trading floors of two of the largest brokerage firms in the world.
Boys & Girls Clubs of Boston’s approach to healthy development doesn’t end with nutrition. BGCB Clubs offer a variety of sports and recreational activities—including team sports, hiking, yoga, and even surfing—to keep children active. These programs teach healthy habits, stress management, teamwork, and social skills, all of which support lifelong well-being.

All BGCB staff work to promote mental health, self-esteem, and resiliency, making Clubs safe spaces for members to practice healthy decision making. Social Workers at each of the larger Clubs also engage members in programming designed to promote social and emotional well-being.

The positive Club environment, supportive staff, and range of activities and programs all work together to maximize positive outcomes for youth, despite the challenges and opportunity gaps they face in their lives and communities.

For more than 10 years, Harvard Pilgrim Health Care Foundation (HPHCF) has played an integral role in helping Boys & Girls Clubs of Boston members live healthy lifestyles. This life-changing partnership began when HPHCF challenged BGCB to take a more holistic approach to wellness programming and provided funding for a Wellness Coordinator to lead the charge.

In recent years, the focus of BGCB and HPHCF’s partnership has evolved to providing access to fresh produce and teaching members and their families how to prepare nutritious meals. With support from Harvard Pilgrim Healthcare Foundation and Himmel Hospitality Group, seven Clubs have their own gardens. Club members grow, taste and cook fresh vegetables, take cooking classes with their families, and even “assist” chefs at the Himmel restaurants. Throughout the year, Clubs host a Farm to Family dinner series where families eat together and receive free produce and recipes to take home.

In 2019, Harvard Pilgrim Health Care Foundation funded a new Chef Series with a focus on life skills including basic cooking, food shopping, and food safety. Members can even earn their Food Safety Certifications through the program, helping them find jobs both inside and outside of the Club. BGCB Clubs completed four sessions of the series, each lasting four to six weeks, and look forward to expanding the program in the coming years.

BGCB would not be able to provide the breadth and depth of our programming without the help and financial support of partners like HPHCF. With their support, we are able to improve the health and well-being of the more than 14,000 youth we serve, helping to build a healthier Boston.
Aquatics Director Traverse Robinette, also known among members as "Coach Trav," recruited recent Gerald and Darlene Jordan Boys & Girls Club alumnae, Deedee, Yasmine, and Natalia, to the Club swim team during their first day at the Club. Although they were apprehensive at first, they gained confidence every time they beat a personal record or moved on to a new swim level, and started building a framework for achievement which would guide them through high school. Their long list of aquatics accomplishments includes competing at national competitions in Florida, becoming certified scuba divers, and serving as lifeguards and swim coaches at the Club.

“When I swim, I don’t think about anything,” explained Deedee, reminiscing on her nine years as an active member at the Club.

Throughout high school, the Richard A. Voke Pool served as an invaluable reprieve from the copious amounts of schoolwork each teen balanced with their part-time jobs and extracurricular activities. They always found time to squeeze in a visit to the Club to receive advice from their coach, burn off steam during swim team practice, or work as a lifeguard.

Coach Trav finds himself lucky to have had the opportunity to work with such outstanding individuals, “I can always rely on them. They are consistent, hard workers, with amazing attention to detail.” All of these traits are serving them undoubtedly well as first-year college students this year: Deedee at Dartmouth College, Natalia at Harvard, and Yasmine at Princeton.
The Fish Family Foundation, established in 1999 by Larry and Atsuko Fish, is dedicated to the development of an equitable, healthy community in which quality of life and access to opportunity is improved for all. The Foundation has made the Experiential Travel Program at BGCB possible through its generous support, providing over $1.4 million and serving nearly 250 young people since 2005.

"BGCB’s Experiential Travel Program helps promising, hard-working Club members reach a new understanding of their life potential,” explained Fish Family Foundation Trustee Larry Fish. “It is not just about the trip – which of course is a wonderful experience – but rather about how they see themselves when they return. For more than 15 years, BGCB has been our valued partner, without whom this program could not have happened."

Larry and Atsuko Fish and their Fish Family Foundation have collaborated with BGCB for more than a decade to provide global learning opportunities to more than 500 teens through Experiential Travel Programs. Nearly half of these members earned a two-week trip to India, Japan, or Native American reservations. BGCB took three trips in FY19, and plans to add more in coming years.

For Yawkey Club of Roxbury alumna Temi Ashorobi, the biggest takeaway from her time in BGCB’s Experiential Travel Program to India was an appreciation for what is different. The most important differences she came to appreciate? The ones in herself.

“When the program began, I was always very aware that I looked different than other people and that my name was different,” said Temi. “These differences made it hard to accept myself, but by gaining exposure to life in India, beyond the norms of the United States, I realized the beauty of diversity in the world. This made me grateful for who I am, and I’ve appreciated myself because of my differences ever since.”

International travel had always been something Temi avoided, but her experience with BGCB gave her the confidence to take her own trip to Nigeria, from where her family originates.

"After I traveled to Nigeria, I realized the many luxuries that life in the United States affords me,” continued Temi. “This made me feel grateful, but it also made me very hungry to take advantage of the opportunities I had, especially academically.”

Six years later, Temi is a graduate of Johnson C. Smith University, having achieved the highest GPA among a class of 150 students studying social work. She is now pursuing a Master of Social Work at Howard University.
“A nationally recognized and award-winning designer with a broad range of experience, Gill was instrumental in defining BGCB’s brand.”

— Tribute to Gill Fishman by Josh Kraft, Nicholas President and CEO

Gill Fishman joined the Board of Trustees in 2009, and quickly became an incredible advocate and champion for BGCB. His thoughtful insights and smiling presence at events will be missed.

It was through his professional life that Gill had the biggest impact on BGCB. A nationally recognized and award-winning designer with a broad range of experience, he was instrumental in defining BGCB’s brand. His design and graphics firm, Gill Fishman Associates, has produced our Annual Report for many years (including this issue), and created collateral and designs for our signature events, House Party and Annual Dinner. Gill loved seeing the way his work connected people to our mission, showcased impact, and highlighted accomplishments. Gill and his wife Barbara also frequently attended BGCB fundraising events.

Beyond BGCB, Gill was an active community volunteer with organizations addressing urban needs. He co-founded The Great Boston Kite Festival, and was a founding committee member of First Night. He also served on the Visiting Committee of the School of the Museum of Fine Arts, Boston, and was a founding member of the New Center for Arts and Culture.

Josh Kraft has been with Boys & Girls Clubs of Boston nearly 30 years, serving for the past 11 years as the Nicholas President and CEO. Prior to this current role, he was the Founding Executive Director of the Gerald and Darlene Boys & Girls Club in Chelsea.
"Throughout the decades, Patty was a strong supporter of the clubs and youth served by Boys & Girls Clubs of Boston."

— Tribute to Patty Griffith by Mark R. Epker

Patty Griffith was an active volunteer and fundraiser for numerous nonprofit organizations throughout the city of Boston. She and her husband Brad first connected with Boys & Girls Clubs of Boston in the early 1980s. Patty joined BGCB’s Board of Trustees in 2002 and became a Trustee Emerita in 2013. Throughout the decades, she was a strong supporter of the Clubs and the youth served by BGCB.

As she became more familiar with this organization, Patty got involved with BGCB’s signature events. From the Partner for Youth dinners to the annual Decorative Arts and Antiques Show, Patty helped with “friend-raising” for the Clubs. When the decision was made to start a new event, Patty signed on to be a member of the first House Party committee – a role she continued until just last year.

All who knew her felt Patty’s warmth and friendship. We mourn her passing and celebrate the important work she helped BGCB accomplish.

Mark R. Epker has been involved with BGCB for close to 25 years as a volunteer and Trustee. He currently serves as Chair of the Board of Trustees.
IN MEMORIAM (CONTINUED)

Henry R. Guild Jr.

“Harry served on the Executive Committee, as Secretary, and as a Vice President, dedicating countless hours of volunteer work to the youth of Boston.”

— Tribute to Harry Guild by Frederic C. Church Jr.

Harry Guild’s commitment to Boys & Girls Clubs of Boston spanned more than 60 years. He was elected onto the board in 1956, first as a member of the Board of Trustees (then called the Board of Overseers), before becoming a Director in 1962, and later a Senior Advisory Board member. Harry served on the Executive Committee, as Secretary, and as a Vice President, dedicating countless hours of volunteer work to the youth of Boston.

An active Board leader, Harry promoted corporate engagement and community partnerships, and even helped redraft our Constitution and By-laws in 1963. Together with his wife Gale, Harry remained involved with BGCB even after he retired from the Board. They were steadfast advocates and members of the Church and Champion Societies.

Harry’s advice and encouragement made an indelible impact on the lives of thousands of youth, and our community has been changed for the better. We miss his presence, and remain grateful for all he did for this organization.

Frederic C. Church Jr. has been deeply involved with BGCB for more than 55 years as a volunteer, Trustee, Director, and Senior Advisory Board member. He served as Chair of the Board of Directors from 1984 to 1988.
Rev. Michael E. Haynes was a tireless youth advocate, becoming involved with Boston-area community centers beginning in the 1950s. He formed youth groups that encouraged young people to stay in school and engaged them through activities such as sports, music, and arts and crafts.

He joined the clergy of the Twelfth Baptist Church in Roxbury in 1951, serving as youth minister, associate minister, and from 1964 to 2004, as senior minister. For three terms, beginning in 1965, Rev. Haynes represented Roxbury and the South End as a Democratic state representative, pushing to reduce crime and violence. He also served on the Massachusetts Parole Board from 1969 to 1985.

Rev. Haynes’ commitment to the young people of Roxbury and Greater Boston led to a more than 50-year relationship with Boys & Girls Clubs of Boston. He joined the Board in 1966, first as a Trustee and later as a Director from 1973 to 2003. Most recently, Rev. Haynes served as a member of the Senior Advisory Board. He has left an incredible legacy of service to Roxbury, Boston, and our youth, and will be deeply missed.

Frederick E. Fairfield Jr. is an alumnus of the Yawkey Club of Roxbury and Chair of the Local Advisory Board. Andrea Swain is Executive Director of the Yawkey Club of Roxbury, a role she has held since 2001. Michael A. Vance has served on the Yawkey Club of Roxbury’s Local Advisory Board for close to 15 years.
President's Circle

Boys & Girls Clubs of Boston gratefully acknowledges the members of the President’s Circle for their exceptional leadership and generous financial support. Individual, corporate, and foundation members of the President’s Circle contribute $100,000 or more each year, making a positive, lasting impact on the thousands of youth we serve in Boston and Chelsea. The following list recognizes those donors who made unrestricted and restricted current use, endowment and capital gifts totaling $100,000 or more during fiscal year 2019.

Corporate Leadership Council

Investment in youth is key to sustaining Greater Boston’s vibrant and diverse business community. For this reason, Boys & Girls Clubs of Boston founded our Corporate Leadership Council (CLC) in 2008 to provide guidance and offer opportunities for the city’s business leaders to engage more deeply in our work. Current CLC events include annual breakfast meetings featuring a prominent keynote speaker.

Independent Auditor’s Report

To the Board of Directors
The Boys and Girls Clubs of Boston, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of The Boys and Girls Clubs of Boston, Inc. (the “Organization”) which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements (collectively, the financial statements).

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Boys and Girls Clubs of Boston, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the Organization adopted ASU 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities, during the year ended June 30, 2019. The adoption of the standard resulted in additional footnote disclosures and significant changes to the classification of net assets and disclosures relating to net assets. The adoption was retrospectively applied to July 1, 2017; the earliest year presented. Our opinion is not modified with respect to this matter.
