DEAR FRIENDS

For nearly 130 years, Boys & Girls Clubs of Boston (BGCB) has existed as a haven for youth across Boston and Chelsea, and 2020 proved to be an extraordinary year that included a global pandemic and a cultural movement to amplify long-existing disparities borne of inequity and racism. During this time, BGCB’s priority remained clear: to continue our mission and do whatever it took to be there for our members and families.

Throughout the year, BGCB programming continued to help our members succeed academically, make healthy choices, practice good citizenship, and prepare for life after the Club. However, during the spring as the threat of coronavirus grew, our exceptional staff seized the opportunity to find creative ways to address our resilient members’ most essential needs by providing nutritious meals, someone to listen, and a place to belong – even if it was temporarily in a virtual setting. BGCB’s ability to adapt thoughtfully and strategically to the needs of the communities it serves demonstrated the spirit of the Clubs and the dedication of staff extends beyond our physical Clubs. In this year’s report, we invite you to learn more about how BGCB navigated these unprecedented times along with features on our programming, partners, members, and staff.

BGCB’s reaction to the coronavirus pandemic demonstrated that our 11 Clubs and YouthConnect offer more than just a physical space to go after school with trustworthy adult mentors and engaging programming. What that trying time made clear is that while the physical plant is important, what makes BGCB a pillar of our communities is the supportive and nurturing relationships that our staff maintain and grow every day – in addition to a swim lesson or music class. True to our mission, BGCB quickly pivoted during the crisis with innovation, creativity, and heart to make an impact. While maintaining connections to members and families and sustaining programming, the Clubs also mobilized to safely and effectively distribute vital resources to many of our families who needed us more than ever.

Simply put, we couldn’t have accomplished much the past year without our incredible supporters, who believe that the decision to help sustain BGCB’s mission is an investment in our city’s greatest resource – its youth. Every generous contribution made by the individuals, corporations, foundations, and community partners listed in this report plays an integral role in providing innovative programs, essential resources, and caring staff to our members and families.

Thank you for being there for Boston and Chelsea’s youth when they need it most. We are buoyed by our partners and donors who support BGCB with their generosity and allow us to continue to serve our youth. Together, let’s celebrate BGCB’s longstanding tradition of investing in our youth to create a bright future for our communities.

With gratitude,

Josh Kraft

CLUB AT HOME PRODUCED 550 DIFFERENT AT-HOME ACTIVITIES
SUSTAINING OUR MISSION THROUGHOUT PHYSICAL CLOSURES

During the spring of 2020, Boys & Girls Clubs of Boston (BGCB) faced an unprecedented challenge in the organization’s nearly 130 years of operation. For the first time ever, our Clubs were physically closed in order to follow public health guidelines during the coronavirus pandemic. The challenge? To sustain our mission by transporting the spirit of our Clubs, including the fun and educational programs, mentorship, and community building that had been taking place in our buildings into the homes of our members and families.

Creative Virtual Programs

On March 13, 2020, our entire staff leapt into action establishing “Club at Home,” a daily video series led by Club staff published on the BGCB Blog. Seemingly overnight, staff transitioned our nuanced program curriculum into a virtual format, and transformed our informational blog into a resource hub for members and families across Boston and Chelsea. These daily videos covered engaging activities in all the same program areas in which members were accustomed to participating. Soon those programs were also accompanied by live Zoom sessions open to members and led by staff. Ready to Work, BGCB’s youth workforce development program, also debuted a virtual campus to connect more than 80 teens with workforce experiences and essential life skills, as well as introduce them to professional mentors and share community service opportunities.

By the end of the spring, Club at Home had produced more than 550 different at-home activities, amassed more than 37,000 total video views, hosted more than 2,600 live program sessions over Zoom, and successfully maintained many of the weekly Club traditions that members have grown to love and rely on, such as Storytime Monday, STEM Tuesday,
Wordy Wednesday, LEGO Thursday, and Trivia Friday. Perhaps most importantly, staff was able to maintain a consistency that our members needed more than ever during a chaotic time.

**Role Models, Mentorship, and Counseling**

As an organization that thrives on mentorship and providing positive role models for youth, BGCB also worked tirelessly to maintain and strengthen the invaluable bonds between members and staff.

Throughout the course of physical closures, BGCB maintained contact with an average of 1,300 families each week through phone and email communication.

YouthConnect, BGCB’s advocacy and intervention program that serves at-risk young people, was also able to maintain its caseload. By adapting and moving into a virtual format, social workers managed between 175-200 active cases each week while simultaneously making more than 1,000 referrals to outside providers.
Art Supplies, Musical Instruments, and More

On top of the virtual programming, BGCB staff also worked creatively to get supplies that could further enrich members’ time outside of the Club into the hands of members. By setting up distribution hubs outside of Club buildings, families were able to pick up thousands of items at a safe distance, including art supply kits, musical instruments, toys, and even laptop computers to assist with remote learning. In situations where members were unable to come to the Club, BGCB staff arranged safe at-home deliveries. These items were generously donated by some of BGCB’s more than 200 partners including Michaels and Music & Youth Initiative.

Successful Summer Reopening

Our efforts throughout the spring carried the organization through a challenging stretch of time during the global health crisis, setting up a safe and successful reopening for summer programs. Starting in July, eight BGCB Club locations hosted five weeks of fun-filled activities while virtual programs resumed across 10 of our locations. BGCB combined thorough safety precautions that went above and beyond state guidelines with engaging programs led by our incredible staff and program partners to make this possible.
FIGHTING FOOD INSECURITY & MEETING BASIC NEEDS DURING A PANDEMIC

Addressing food insecurity and meeting basic needs has long been a key priority in BGCB’s mission to serve the communities of Boston and Chelsea.

Back in Spring 2020, BGCB leveraged its expansive network of partners throughout the Greater Boston area to distribute more than 51,000 meals, 1,500 gift cards, and 3,800 hygiene products to members and families.

Led by the generosity of Harvard Pilgrim Health Care Foundation along with T-Mobile and Costa Fruits & Produce, BGCB distributed an average of 280 fresh produce boxes at Clubs each week. Clubs even arranged for home deliveries when families were unable to come during pickup times. Thanks to the responsiveness of Hope & Comfort, Clubs have also provided hygiene products and cleaning supplies since March. In addition to these efforts, Gerald and Darlene Jordan Club partnered with World Central Kitchen and Off Their Plate to offer between 600–1,000 meals to members each week throughout the summer to bring home to their families.

“Many of the families in our community have counted on breakfasts and lunches served at schools which have been closed,” explained Lisa Gillis, Gerald and Darlene Jordan Club’s Director of Community Development and Administration. “Being able to assist our families with getting those meals back has been a huge opportunity for our Club to provide valuable aid.”

PARTNERSHIPS MAKE IT HAPPEN

More than 200 community partners enrich BGCB’s depth and breadth of programs. In recent years, Massachusetts General Hospital has drastically expanded BGCB’s STEM education, Harvard Pilgrim Health Care Foundation has helped us establish a scalable healthy lifestyle curriculum, and Bank of America has helped us introduce impactful financial literacy programs.

These are just a few of the many ways our partners are making it happen across our many Clubs. We are grateful to our partners who went the extra mile to ensure they could still play a role in our members’ lives despite physical closures, and continue connecting them with their programs, supplies, and expertise.

Among Boys & Girls Clubs of Boston’s most valuable resources is its dedicated, knowledgeable staff. Central to this impressive group for the past three decades has been Josh Kraft, Nicholas President and CEO.

Josh’s career began in 1990 at what is now the Edgerley Family South Boston Club, where he served as Program Coordinator for the Best Year in School Ever program. Just a few years later, in 1993, Josh was tapped to lead the effort to open a new Club in Chelsea, a city that had found itself in financial straits.

While Josh kicked off the program in the basement of a public housing development, he and a group of dedicated volunteers—including Richard Voke, BGCB Director and then Chelsea’s State Representative—worked to gain the approval and financial support necessary to renovate an empty warehouse on Willow Street into what is now the Gerald and Darlene Jordan Club.

CELEBRATING JOSH KRAFT’S 30 YEARS OF SERVICE
As Founding Executive Director of the Club, Josh did his best—mostly on his own before adding a handful of part-time staff and volunteers—to serve about 120 youth per day with very limited resources. Richard, who has continued to work alongside Josh in many capacities over the last three decades, says, “At every level of his job, Josh has always been in it for the love of his kids. He has a long-term commitment to the mission, and to building on every day prior’s work to build a stronger Club, a stronger organization. Any number of people owe their stability in life to Josh.”

In 2008, Josh was selected as the Nicholas President and CEO of Boys & Girls Clubs of Boston. In this role, Josh supported key programming to promote growth at Clubs, including education,

Music Clubhouses, teen engagement, and workforce development. He also invested in organization-wide outcomes analysis to better define, measure, and quantify BGCB’s impact across key developmental domains: Academic & Life Success, Character & Community, and Healthy Development. Moreover, he expanded the YouthConnect program, placing social workers in nine locations across Boston in partnership with the Boston Police Department.

During his 30-year career at Boys & Girls Clubs of Boston, Josh worked tirelessly to narrow the opportunity gap that exists for so many of the youth.
in Boston, Chelsea, and beyond. He focused on deepening BGCB's impact reaching out to underserved populations in Boston and Chelsea, and expanding the service footprint to reach increasing numbers of children and teens. Through community engagement and working alongside dedicated partners and stakeholders to develop innovative and effective programming, Josh made a direct impact on the lives of tens of thousands of children, teens and their families. His investment in our young people is creating positive change throughout our neighborhoods today and will continue to in future generations.

2019: Created the BGCB Leadership Institute to provide continuing education, professional development, and training to dedicated staff.

5-YEAR STRATEGIC PLAN
Managed the creation of Strategic Plan 2025, a five-year plan to guide BGCB’s programmatic, fiscal, and operational direction.

Josh’s lifelong devotion to families across Boston and Chelsea is made evident by his transformational leadership, particularly during challenging times. BGCB’s ability to adapt to support the needs of the communities served is a testament to his consistent guidance and gift for connecting with members, staff, and Board members alike.

READY TO WORK SUMMER CAMPUS

Ready to Work Summer Campus was created this past summer to connect teens and young alumni with professional development opportunities (from their own homes). Members apply to become RTW Fellows and work all year on skill building and readiness for paid summer internships and mentorship during the summer. In addition to their paid internships, the summer of 2020’s virtual platform offered members: opportunities for community service including a partnership with a community in Ngangi, Uganda building a community center; wellness exercises; a blog to share ideas; a podcast with community leaders sharing their vision of leadership; and workshops with mentors and BGCB partners.

Leading up to the summer of 2021, the Ready to Work Summer Campus will remain virtual, and offer Fellows ages 15 - 21 skill building workshops, job shadow opportunities, more than 30 guest speakers from around the country speaking on time management, goal setting, communication and other professional development skills, and conferences on both financial literacy and the intersection of social justice and healthcare.

RTW is working to ensure that our members have the growth and learning opportunities that come with first and early job experiences through exposure to mentors and work, and is focused on being creative during the coronavirus pandemic.

CREATING EQUITY BY NARROWING THE OPPORTUNITY GAP

For nearly 130 years, Boys & Girls Clubs of Boston has remained committed to providing rich opportunities for the youth of Boston and Chelsea, including 12,500 in this year alone.

From 6 years old through young adulthood, our dedicated staff and program partners ensure that each of our members has equitable access to countless activities, such as our swim program. This year, more than 100 members passed the swim test at one of BGCB’s five pools. Many children can even find a community and hone their teamwork skills by joining the Club’s swim team.

Each year, BGCB’s music program allows members to create original songs with professional-grade instruments and high-quality music production software. Members can learn from some of Boston’s brightest young musicians through BGCB’s partnerships with Berklee College of Music and Music & Youth Initiative. And each year, at BGCB’s in-person and virtual events, the stars of the evening are always the incredibly talented members who steal the show with their performances.

As members near graduation, they can look to Ready to Work, BGCB’s career development program, to prepare for higher education and a career.

Each fall, the Career Forum allows teens to learn from experts in various professional fields. Members can also join the Keystone and Torch Clubs to strengthen their leadership and community outreach skills.

After graduation, members join an expansive network of BGCB alumni. This allows them to look forward to the next chapter of their lives while staying connected with their Club, a safe space with caring adults which has given them the room to grow, learn, express, and achieve.

Our Clubs are focused on offering a breadth and depth of programs that are not only fun, but also open up opportunities for our members to grow and succeed in their lives after the Club.

SHOWCASING OUR 2020 YOUTH OF THE YEAR

The Club has created a foundation for everything I know, and I could never express the amount of gratitude I have for such a welcoming family.
— Amanda, 2020 BGCB Youth of the Year Edgerley Family South Boston Club member

Established in 1947, the Youth of the Year Award recognizes Club members who have shown superior leadership, academic achievement, and service to their respective Club community.

The annual program builds personal growth and leadership qualities among our young members. Each year, all five of BGCB’s free-standing Clubs and Mattapan Teen Center select one dedicated and exemplary member to represent their Club in the BGCB-wide competition, which ultimately names one overall BGCB Youth of the Year who competes for the statewide Youth of the Year title. Amanda from the Edgerley Family South Boston Club is 2020’s BGCB Youth of the Year, and was also a top-3 finalist in the Massachusetts State Youth of the Year competition.

Born and raised in South Boston, Amanda has been a member of the Edgerley Family South Boston Club since she was 6 years old and has excelled at every opportunity presented to her there. In addition to being an exemplary athlete and honor roll student at Boston Collegiate Charter School, Amanda worked as a Junior Staff member in the music clubhouse and a junior lifeguard at the Club’s pool. Her passion for working with and being a role model to younger members is reflected in everything she does. In 2017, Amanda was one of the few youth chosen to lead a Club sponsored service trip to Grand Cayman Island to help plan and implement a music camp for disadvantaged youth.

Amanda’s leadership abilities, strong character, and passion for improving her community make her an exemplary member of the Edgerley Family South Boston Club. Amanda currently attends Framingham State University, where she intends to study Early Childhood Education.
MANNY credits the Mattapan Teen Center with strengthening both his public speaking skills and his connection to his community. He graduated from Dearborn Academy in 2020 and is now pursuing a degree in computer science at UMass Boston.

GEORGE was shy when he joined the Gerald and Dartene Jordan Club at age 10, but eventually discovered his love of music, passion for volunteerism, and a newfound interest in swimming. As he currently studies computer science at Wentworth Institute of Technology, he is the first of his seven siblings to attend college.

MADISON has attended the Charlestown Club since she was 7 years old and has spent much of her time helping out in the Performing Arts program and serving as Co-President of the Keystone Club. She is currently studying psychology at Stonehill College.

LAILA has been described by staff at the Berkshire Partners Blue Hill Club, where she holds leadership roles in Keystone and Anime Club, as “a natural-born leader and one who leads with kindness, enthusiasm, and self-respect.” She is currently a junior at Brookline High School.

JANAE was first introduced to the Yawkey Club of Roxbury when she was 6 years old through the Manny Wilson Basketball program. She has since participated in a range of programs including Explore India, through which she had the opportunity to travel abroad. Janae currently attends Norfolk State University.
Our more than 20-year partnership with the Boston Police Department allows YouthConnect to serve those young people most impacted by violence in the community. In 2019, 96% of clients and 70% of staff identified as persons of color. By working primarily with communities of color, YouthConnect advances racial equity child-by-child and family-by-family within the criminal justice system.
YouthConnect, BGCB’s advocacy and intervention program created to help our community’s at-risk young people, has become a national model for urban areas dealing with youth delinquency and violence. The program, which is confidential, voluntary, and free, assists youth in learning how to make positive life choices through trusting relationships with skilled and compassionate social workers. Staff are embedded within six Boston Police Department stations as well as the Domestic Violence Unit, Youth Violence Strike Force (Gang Unit), and the School Police Unit.

Since 1996, YouthConnect’s licensed clinical social workers have worked to reduce high-risk behaviors associated with arrest and incarceration, such as chronic substance abuse and gang affiliations, as well as address the underlying factors that are barriers to success: exposure to trauma, poor educational achievement, housing instability, and mental illness.

Young people are greatly impacted by the others in their households. For this reason, YouthConnect also works to improve the long-term success of families by working with parents and siblings, in addition to the teen. As Executive Director Andrea Perry says, “Sometimes our greatest impact occurs when we focus on the needs of the parent so they in turn can be a stronger advocate for their children.”

YouthConnect has overcome the challenges brought forth by the coronavirus pandemic, and continues to receive referrals from the Boston Police Department and provide services to approximately 175 youth and families each week with telehealth therapy sessions, client advocacy, clinical case management, and distributing gift cards for food and basic needs.
IN MEMORIAM

EDMUND N. ANSIN

“We are grateful to Ed for his commitment to the mission of Boys & Girls Clubs of Boston over so many years, and for his unwavering belief that every child in Boston deserves a bright and promising future.”

— Tribute to Edmund N. Ansin by Andrea Perry

Ed Ansin’s dedication to Boys & Girls Clubs of Boston (BGCB) spanned over two decades. In 1997 Mike Carson, BGCB Director and General Manager at WHDH-TV for Ed, began organizing Unity Weekend, a basketball tournament in support of YouthConnect, known then as Youth Service Providers Network (YSPN). Since then, this annual event has raised more than $1 million in support of the social workers advocating for local at-risk youth every day in partnership with the Boston Police Department.

After getting involved with Unity Weekend, Ed and his brother Ron presented BGCB with a check for $2.6 million: $2 million for the renovation of BGCB’s Charlestown Club, and $600,000 for the expansion of YouthConnect. At that time, this was the largest single gift to a social service agency by a living donor in the Boston area. Today, the Ansin Youth Center is a key part of the Charlestown Club, dedicated in memory of Ed’s and Ron’s late parents, Sidney and Sophie Ansin.

We are grateful to Ed for his commitment to the mission of Boys & Girls Clubs of Boston over so many years, and for his unwavering belief that every child in Boston deserves a bright and promising future.

Andrea Perry has been the Executive Director of YouthConnect, BGCB’s mental health and advocacy program designed to support high-risk young people in making positive life choices, for the past 10 years. She has worked for BGCB since 1999.
For over 25 years, Jane Wolchonok was a passionate and engaged member of BGCB’s board. Jane first joined our Board of Trustees in 1994, and the following year served on our Board of Directors until 2010, when she rejoined Trustees. In 2013 Jane was elected to become a member of the founding class of Trustees Emeriti, a group formed to recognize and honor the service and contributions of longtime BGCB leaders.

Throughout her time serving on our boards, Jane was a continued advocate of BGCB’s mission, opening doors in the corporate community during her years at Brookline Bank, HarborOne, and Citizens Bank. She was also an active volunteer, serving on the YouthConnect Advisory Board and multiple BGCB committees, including Finance, Program, Executive, and chairing the Human Resources Committee.

Jane was just exceptional. She was highly accomplished, thoughtful, engaging, warm, gracious and fun to work with. She will be remembered for her sound guidance, her sharp observations, her beautiful smile, and most of all her extraordinary compassion and kindness. Her obituary is a great tribute to the life she lived.

Everyone at BGCB is deeply grateful to Jane for her many years of service and dedication to our members and our mission. Her contributions of time and talent helped us become the organization we are today.

_Helen Chin Schlichte has been involved with BGCB for more than 24 years as a volunteer, Director, and currently Senior Advisory Board member. Helen and Jane served as Directors and on the Human Resources Committee together for many years._

Investment in youth is key to sustaining Greater Boston’s vibrant and diverse business community. For this reason, Boys & Girls Clubs of Boston founded our Corporate Leadership Council (CLC) in 2008 to provide guidance and offer opportunities for the city’s business leaders to engage more deeply in our work. Current CLC events include annual breakfast meetings featuring a prominent keynote speaker.

ENDOWED FUNDS

BGCB’s endowment funds provide a permanent source of revenue to sustain programs now and in the future. Donors to these funds are recognized starting on page 35.

CLUB ENDOWED FUNDS

Berkshire Partners Blue Hill Club

Berkshire Partners Blue Hill Club Aquatics Director Fund
Created in 2013 by Phill and Elizabeth Gross, this fund generates operating support to this critical staff position at our Berkshire Partners Blue Hill Club in Dorchester. This fund enables Boys & Girls Clubs of Boston to continue our long-standing tradition of teaching hundreds of youth to swim each year and provides long-term investments in our Club members and their families.

Berkshire Partners Fund for the Blue Hill Club
Berkshire Partners has had a long history with Boys & Girls Clubs of Boston. Russell L. Epker, a Founding Director of Berkshire Partners and BGCB Board Chair from 1992-1995, inspired many at the firm to become involved with BGCB. The following individuals made contributions to current operating funds as well as to long-term sustainability to the Berkshire Partners Blue Hill Club Facility Endowment.

Lifeguard Training Program Fund
Created in 2008 by Lisa and Tom Knott, this fund provides support for the Berkshire Partners Blue Hill Club’s Lifeguard Training Program. Participants in this program are accomplished swimmers who learn CPR, first aid, and rescue techniques.

Wagner Family Art Fund
Endowed by Herb and Charlotte Wagner in 2015, the Art Fund supports the Berkshire Partners Blue Hill Club’s Wagner Family Art Director. Arts programming thoughtfully engages members in a variety of arts-based activities that build their skills, connect them with other cultures and communities, and promote self-expression. BGCB believes artistic engagement is critical to becoming well-rounded and successful adults.

Charlestown Club

Charles H. Taylor Memorial Fund
This fund honors Charlestown native and Boston Globe founder Charles H. Taylor. It was established in 2019 through a generous planned gift set up by William O. Taylor II, a longtime Director. The fund supports general operating at the Charlestown Club and ensures the upkeep of the Club’s Charles H. Taylor Memorial Exhibit, intended to serve as an inspiration for the youth of Charlestown and Boston.

Privacy Policy: Boys & Girls Clubs of Boston does not share its donor list, including email addresses, with other organizations or individuals, with the exception of annual report listings by giving category. However, we respectfully acknowledge the wishes of some donors to be listed anonymously. We welcome unrestricted gifts, but also respect the desire to restrict gifts to support specific program areas, Clubs, or YouthConnect. This list includes all gifts and pledges of $500 or more made during our 2020 fiscal year (July 1, 2019 – June 30, 2020). We have taken great care to ensure the accuracy of this report, and offer our sincere apologies for any errors or omissions. Please contact Briana Scafidi at bscafidi@bgcb.org to make us aware of any changes.
Gerald Wall Education Fund
Established by Diane Wall in 2011 to honor her late husband, Club alumnus Gerald Wall, this fund provides financial assistance to individual members of the Charlestown Club for higher education in areas including SAT and college application fees, and underwrites special educational opportunities for the Club.

Edgerley Family South Boston Club

Edgerley Family South Boston Club Facilities Endowment Fund
This fund was created to support the continued maintenance of the Edgerley Family South Boston Club, which was renovated and re-opened in 2015, to provide a safe, attractive space where our members can take advantage of a wide range of innovative programming.

Endowed by longtime BGCB Director Richard A. Voke in 2016, this fund supports the Jordan Club’s robust aquatics program. In addition to teaching members how to swim, this program offers opportunities to snorkel, surf and scuba dive, and helps advanced swimmers receive training to become lifeguards.

Mattapan Teen Center

Mattapan Teen Center Facilities Fund
This fund was established to support the continued maintenance of the Mattapan Teen Center, which opened in the fall of 2014, to provide a safe, attractive space where our teen members can take advantage of a wide range of programs specific to this age group.

SPECIAL ENDOWED FUNDS

Edward P. Bosson Fund for Boys

Richard L. Church Education Fund
Established by Richard L. Church and LandVest Incorporated in 1985, this endowed fund supports educational programming at BGCB.

Connaughton Family Music Fund
Created in 2015 as part of John and Stephanie Connaughton’s generous gift to BGCB’s Opening Doors Campaign, the Connaughton Family Music Fund supports music programming agency-wide, allowing members to build their skills and self-confidence through vocal development, instrument lessons and music theory training, as well as recording and performance opportunities.

Facilities Maintenance Fund
Created to support the continued maintenance of Boys & Girls Clubs of Boston’s facilities, this fund highlights the organization’s need for continued financial investment in its buildings. The Clubs are key to BGCB’s effective service delivery, providing a safe, functional and attractive space in which our members can thrive.

Scott Farrar Memorial Fund
Established in memory of Scott Farrar, the Farrar Fund supports summer camperships, enabling deserving Club members to discover new interests, develop new skills, and make memories that will last a lifetime through BGCB’s summer camp experience.

Jeffrey A. Greenberg Passion Fund
This fund was established in 2017 through the generosity of friends of Larry, Beth, and Lindsay Greenberg to honor the memory and legacy of Jeffrey Alexander Greenberg. Jeff joined Boys & Girls Clubs of Boston in 2015 as a data analyst, and his work was integral to BGCB’s outcomes measurement efforts. The Fund provides stipends for experts or artists in residence at Boys & Girls Clubs of Boston so Club members can discover and grow their own individual passions. Examples may include experts on comic book writing and illustration, electronic music composition, creative writing, knitting, or graffiti art.

Brian J. Knez Education Fund
This fund was established in 2008 through the generosity of the Knez Family to honor BGCB Director Brian Knez for his commitment to BGCB’s mission and his instrumental role in shaping the vision of the organization through his active volunteer participation. The fund provides BGCB’s members with financial assistance for higher education in areas that scholarships typically do not cover, including application fees, standardized tests, transportation costs, and textbooks.

Myra Hiatt Kraft Professional Development Award
Created in 2001 with a gift from Norman Knight to honor Myra Kraft for her devoted and tireless service to BGCB and the youth of Boston and Chelsea, this annual award supports staff growth and enrichment through a fellowship that recognizes outstanding leadership, service to the community, and dedication to continued learning—all qualities that are important models for the youth BGCB serves.
Myra H. Kraft Giving Back Scholarship Fund
Established in 2003 by Robert and Myra Kraft’s four sons to honor their parents’ 40th wedding anniversary, this fund recognizes Club members who give their time and talents to the community and instills in young people an understanding of the importance of community service for generations to come.

Myra H. Kraft Giving Back Volunteer Services Fund
Created through gifts in memory of Myra to honor her spirit of volunteerism, this fund allowed BGCB to create a new position, the Myra H. Kraft Director of Volunteer Services, to manage hundreds of volunteers who provide invaluable support to our Club members and their families on an annual basis.

Joseph E. Lovejoy Teen Leadership Fund
Created in 2007 in memory of long-time BGCB Director and former Board Chair Joe Lovejoy with seed money from Joe’s planned gift to BGCB and gifts from the Ensign-Bickford Foundation, this fund underwrites activities that provide unique leadership opportunities and recognizes the accomplishments of our teen members.

Nordblom College Club Fund
This fund was established by Rodger and Dawn Nordblom in 2005 as part of their generous commitment to BGCB’s Comprehensive Campaign. The Nordblom College Clubs encourage Club members to apply to college and help to make their aspirations a reality. Club staff members organize trips to visit college campuses, help Club members prepare for entrance exams, and guide members through the complex process of completing admission and financial aid applications.

Thomas A. Pappas Chef’s Club Fund
One of BGCB’s oldest restricted endowed funds, this fund supports programs that provide opportunities for Club members to learn essential skills such as how to plan, prepare, and serve a healthy, well-balanced meal.

Dana W. Smith Fund for Workforce Development
In recognition of Dana Smith’s history of leadership and tireless dedication to BGCB’s mission and her commitment to teen programming and career readiness, BGCB’s Board of Directors and friends of the organization established this fund in 2019. INDEPENDENT AUDITOR’S REPORT

To the Board of Directors
The Boys and Girls Clubs of Boston, Inc.

Report on the Financial Statements
We have audited the accompanying financial statements of The Boys and Girls Clubs of Boston, Inc. (the “Organization”) which comprise the statements of financial position as of June 30, 2020 and 2019, the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements (collectively, the financial statements).

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Boys and Girls Clubs of Boston, Inc. as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
