

About the Yawkey Club of Roxbury

Youth inspire us. We work to inspire them. Since 1910 our Club has built a legacy of dedication and service to the youth of the Roxbury community.

The Club annually serves approximately 1,100 members, plus hundreds more youth through our facilities and community outreach.

Our Club also has a masters-level, licensed social worker who is an integral member of the staff and is uniquely trained to help members with difficult situations or a crisis.

Membership Information

We aim to keep our Clubs and programs affordable and accessible to accommodate more youth. Annual membership rates are \$25 for youth ages 6-12 and \$5 for teens ages 13-18. There are no additional costs for programming described in this brochure, except for summer camp, which has a separate application process and fee.

For the Yawkey Club of Roxbury membership application, please call the Club and ask for the Membership Service Manager.

About BGCB

What We Do

Our mission is to help young people, especially those who need us most, build strong character and realize their full potential as responsible citizens and leaders.

We do this by providing:

- a safe haven filled with hope and opportunity
- ongoing relationships with caring adults
- life-enhancing programs

Where We Work

BGCB currently operates 11 Clubs in Boston and Chelsea. We serve communities where the need for safe after-school, weekend and summer programming is greatest. BGCB also operates the YouthConnect program, in partnership with the Boston Police Department.

Club Programs

Arts: We encourage our members to express themselves and build confidence through dance, choreography, music theory, music lessons, and production.

Education: We help members focus on academics, college, and careers through career pathway and college pathway programs.

Leadership and Character Development: Members develop a positive self-image and social skills while supporting the Club's community through Keystone Club, Torch Club, and Youth of Year

Life Skills: We offer safe places for discussion about important life decisions through the Young Women and Young Men Group, Adventure Team, Girls' Group, and Passport to Manhood.

Sports, Fitness, and Recreation: We promote healthy lifestyles through swim lessons, Manny Wilson Basketball Leagues, NFL flag football, Major League Baseball rookie league, and technique swim clinics.

Technology: Our Club promotes fluency in technology through our partnership with the MIT Media Laboratory and programs such as the design team, Robotics program in conjunction with Northeastern University, Drone Club, and Tech field trips.
